PROJECTS

Refilla

A sustainability-focused web application that enables users to discover, add, and review free water refill stations. It promotes eco-friendly behavior by reducing plastic waste and encouraging local businesses to offer refill access points. ([Try it here](#))

GhumoAI

An intelligent travel planning platform that generates personalized city tour itineraries based on user preferences. It features real-time AI assistance, vehicle rentals, refill station locators, and seamless travel experiences—all in one web app. ([Try it here](#))

VConnect

VConnect is a gamified web platform that connects volunteers with organizers by offering event management tools, a points-based reward system (AURA), and social features to make volunteering engaging and rewarding. ([Try it here](#))
